

Stichwort- Konkordanz

**der Heiligen Schrift
nach der Übersetzung
der Ausgabe**

LUTHER 1545

Einleitung:

Bibelübersetzung aus den Modulen vom Bibel-Software-Programm: „The Word“ nach Luther-1545, Public Domain.

Diese Konkordanz enthält alle Bibelstellen deren Einzelwörter in der gesamten Übersetzung weniger oder gleich oft als 400 Mal vorkommen, ausgenommen die drei Wörter: „Jesus“, „Jerusalem“ und „Vater“.

Alle Wörter welche öfter als 400 Mal vorkommen, sind in dieser Konkordanz nicht enthalten und als Liste am Ende des Dokumentes angehängt.

Nach Anfrage kann die Einschränkung der Grenze von 400 Wörtern adaptiert werden.

Es stellt sich die Frage, wo eine sinnvolle Grenze liegt. Anfragen oder Anregungen

per Mail an: gkadisch@gurt-der-wahrheit.org

Konkordanzen sind ein wertvolles Hilfsmittel beim Studium vom Wort Gottes. Bei dieser Ausgabe wurde vor allem auf den Platzbedarf wert gelegt (Papier sparend).

Absatzschaltung gibt es nur bei den Wörtern im Inhaltsverzeichnis, die einzelnen Wörter sind **FETT** dargestellt, gefolgt von den Bibelstellen. Dadurch werden annähernd 300 Seiten Papier gespart.

Dieses Arbeitsdokument ist für das Eigenstudium frei verfügbar gegen eine freiwillige Spende und unfrei für kommerzielle Nutzung / Verwendung / Vertrieb.

Das Verteilen für private Nutzung ist erwünscht.

Freiwillige Spenden an: BIC: HAABAT2K IBAN: AT19 5200 0000 0088 5940 lautend auf Gerhard Daniel Kadisch.

Der Herr wird es dir verzeihen!
